

FOR **GOOD.** FOR **EVER.**[®]

FALL 2018

IMPACT

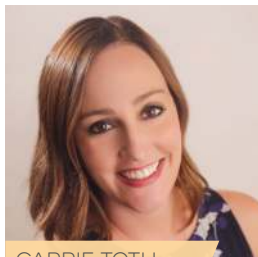

YOUTH GRANT COMMITTEE TRAINING TODAY'S YOUTH **TO BE TOMORROW'S CITIZENS!**

Since 1996, Wabash Valley Community Foundation has sponsored its Youth Grant Committee (YGC). The YGC consists of 18 Vigo County high school students who are selected based upon their application and interviews. The YGC reviews grant applications from youth for projects for youth. They evaluate the various projects and recommend funding for youth supported projects through various high school clubs or nonprofits serving youth. The grants are funded by a relatively small Youth Grant Committee Endowment Fund.

However, the lasting impact of the YGC extends beyond the grants it awards. By allowing area youth to evaluate grant proposals, they can select projects and programs that they believe will make their community better. Through the YGC, area youth are encouraged to prioritize their own views of community goals through projects proposed by their peers. Community involvement during youth begets community involvement as an adult.

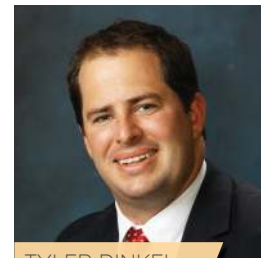

As adults, three members of the original Youth Grant Committee, Carrie Mace Toth, Tyler Dinkel and Kim Edwards LaComba, are actively involved in making our community a better place.

CARRIE TOTH

"I discovered that, even at a young age, I had the opportunity to find out what it is like to give back to my community and try to enrich the lives of others," said Carrie Toth, real estate agent at Coldwell Banker Troy Helman and founding member of the Youth Grant Committee. "Serving on the committee opened my eyes to problems faced by kids, and to the amazing youth groups working to address them. We received youth-driven and youth-serving grant proposals covering education, health, arts, cultural activities, social services and community development. It made me appreciate the important role philanthropy plays in a thriving community."

Tyler Dinkel, Senior Project Manager at Sycamore Engineering and also a founding member of the Youth Grant Committee, recalls receiving proposals from area organization – and the learning experience that came along with reviewing those proposals.

TYLER DINKEL

"There was a learning curve in understanding how to distribute the funds appropriately," explained Dinkel. "We had to conduct interviews before we could distribute the funds. It was always a moving experience interviewing each charitable organization applying for grants. Hearing their stories, seeing the passion and drive for each and every one of their causes made it very difficult to make the decision to prioritize."

In addition to the learning experience, Dinkel also credits the Youth Grant Committee for providing him the leadership skills that have aided him throughout the years. "It is amazing to understand the amount of responsibility and leadership experience they gave us by selecting us for the Committee. It has helped me throughout the years and showed me it takes time and dedication to be a true member of any organization."

CONTINUED ON NEXT PAGE >

KIM LACOMBA

Kim LaComba, Vigo County resident and Assistant Professor at the University of Findlay in Findlay, Ohio and founding member, echoed the sentiments provided by her co-members.

"The first grant I wrote was in high school with a fellow student and teacher," said LaComba. "I am confident the reason I was comfortable writing this was because of the skills I learned as a member of the Youth Grant Committee. These skills have carried over throughout my career in non-profit higher education. More than anything, the Committee opened my eyes to the importance of grants in a community and how they are attainable. I have always found applying for grants as an option, whereas others may not consider it or do not believe they can receive one. The Youth Grant Committee showed me grants are always an option, and one should move forward with attempting to reach a goal if they feel strongly about the project and how it will impact the community."

Students interested in serving on the YGC must apply in the spring for the following year. Applicants are interviewed and selected by the current YGC members. Applications are available at www.wvcf.com.

You can support the YGC by contributing to its Youth Grant Committee Endowment Fund which will provide more funding for youth-led projects in Vigo County.

Please contact Beth Tevlin at **812.232.2234** if you would like to discuss starting a Youth Grant Committee in Clay or Sullivan counties.

VIGO COUNTY SCHOLAR AWARDED FULBRIGHT U.S. STUDENT SCHOLARSHIP!

MARY ANN ETLING
Gulu, Uganda

Four years ago, Vigo County resident, Mary Ann Etling, was selected as a 2014 Vigo County Lilly Endowment Community Scholar. A graduate of Terre Haute North High School, the Lilly award afforded Mary Ann a full-tuition scholarship to attend DePauw University and major in global health and biochemistry.

During her tenure at DePauw, Mary Ann had the opportunity to pursue research in Chile focusing on the health system and disability rights, and received mentorship under professor Sharon Crary during a semester in Uganda.

"It was such a huge honor and a surprise," exclaimed Etling. "The scholarship allowed me to go to DePauw, which wouldn't have been possible without the generosity of Lilly Endowment and the Wabash Valley Community Foundation. With this scholarship, I was able to focus on academics, volunteering, serving others and growing through my classes. We all desire to go to college, but the amount of money for tuition can be hard on families. For me, the scholarship was such a blessing because I was able to pursue my passion without putting a financial hardship on myself or my family."

For Etling, the impact has been beyond monetary value. "When I was notified of the award, I told my parents and they cried along with me," said Etling. "The support from Lilly Endowment, as well as the Community Foundation, is such a special part of living in Indiana and living in this community. It means so much when you receive such a significant gift, but another key piece is the encouragement you receive from the people who work for the Community Foundation. The Community Foundation is such a supportive organization, and the staff love the community and its residents."

"Not only did I receive an award which I will never be able to pay back, but I received a family through the Community Foundation who are constantly rooting for me, supporting me and helping me grow."

Etling credits the Lilly Endowment Community Scholarship Program for not only giving her the drive to pursue her dreams and succeed, but also for helping her realize her calling to serve her community. Through this gift and resulting experiences, she developed a call to serve others to the best of her ability. In early September, she traveled to Gulu, Uganda as a Fulbright U.S. Student Scholar and will spend the next nine months conducting research in affiliation with St. Mary's Hospital Lacor. The title of her project is "Empowering Ugandan Families Impacted by Disability."

Upon her return, Etling will attend Indiana University School of Medicine to study pediatrics. Her ultimate goal is to serve children and families, and become an advocate for patients.

SULLIVAN COUNTY COMMUNITY FOUNDATION CELEBRATES ANNIVERSARY WITH **FRIDAY FAMILY MOVIE NIGHT!**

As its 20th Anniversary gift to Sullivan County residents, Sullivan County Community Foundation, in collaboration with Heart of Sullivan, sponsored a series of Friday Family Movie Nights over the summer.

The movies, which were offered the first Fridays in June, July and August, were held at the Sullivan Civic Center and were free to the public.

"We're grateful to have partnered with Heart of Sullivan for the Friday Family Movie Night series," said Jean McMahan, Vice President of Sullivan County Community Foundation Board of Directors. "For twenty years, our mission has been to engage people,

build resources and strengthen community in Sullivan County. The response to the Friday Family Movie Nights was fantastic, and we were thrilled to help provide the resources that engaged our residents and helped strengthen the bond of the Sullivan community."

Residents who attended the Movie Nights received complimentary popcorn and water, and were encouraged to take advantage of the drive-in atmosphere by bringing blankets and/or lawn chairs.

For more information on the Sullivan County Community Foundation, please call 812.232.2234.

If you are receiving duplicate mailings, please contact us at info@wvcf.com or at 812.232.2234.
