WHO WE ARE

MISSION

The mission of the Wabash Valley Community Foundation is to engage people, build resources and strengthen community in the Wabash Valley.

VISION

The Wabash Valley Community Foundation will be the primary steward of endowed funds and a leader that encourages broad-based charitable activity in the Wabash Valley.

WHO

Since our formation in December 1991, the Community Foundation has been diligently working with you to improve the quality of life for residents in Clay, Sullivan and Vigo counties. We are committed to serving local philanthropists who care passionately about the local communities we serve.

WHAT

We steward and grow our permanent endowments to support our grantmaking priorities for the Wabash Valley.

We partner with individuals, families and businesses to help them achieve their charitable goals.

We provide innovative leadership on community issues and opportunities, while focusing our grantmaking in five areas: arts & culture, community development, education, health & human services and religion.

WHERE

In collaboration with the Community Foundation, our donors make gifts to benefit the lives of residents of Clay, Sullivan and Vigo counties.

A LETTER FROM OUR PRESIDENT

One of the most important roles assumed by our Community Foundation is that of “advocate.” When we collectively support, encourage and promote the interests of members of our communities, we have the unique opportunity to unearth the passion and resources to make significant differences in our lives.

As supporters of the Wabash Valley, Clay County and Sullivan County Community Foundations, you play an instrumental role in identifying areas of needs in our many communities. Many of you identify these needs and create endowment funds that support organizations to address those needs. Often, donors will create unrestricted funds which provide financial support to causes deemed important by our outreach efforts. These types of funds recognize that community needs will vary from time to time and that what might have been a critical need in the past is less so today.

For our Community Foundation to be the best possible stewards of your generosity, it is important for us to serve as a catalyst for discerning what our communities see as opportunities to improve quality of life. We utilize a number of resources to do this very thing. Our Boards of Directors are comprised of diverse community members. We engage volunteers from our communities to serve on committees that collaborate with one another to address community concerns and find sustainable solutions in addition to financial support.

All three counties, Clay, Sullivan and Vigo, have “Giving Circles” with memberships that meet regularly to award discretionary grants to organizations focusing on helping our children, neighbors and others. The Community Foundation’s Youth Grant Committee provides young people an opportunity to experience philanthropy and stewardship early on in their lives.

All these efforts, on our part, to be responsible leaders in our communities are dependent on your continued support and confidence. Over the years, Lilly Endowment Inc. has been generous with GIFT (Giving Indiana Funds for Tomorrow) Initiatives that help community foundations grow endowment funds to provide more grants for community needs. A new initiative, Gift VII, was just announced in October for 2019. Under Gift VII, Lilly Endowment will match each new gift to an unrestricted endowment fund with \$2, up to \$250,000 in Clay and Sullivan counties and \$500,000 in Vigo County.

During my tenure as a Board member and President of the Wabash Valley Community Foundation, I have had the privilege to work with great colleagues on the Board. I have also enjoyed working with dedicated and talented staff members, both present and past, whose commitment to the Community Foundation’s mission to “engage people, build resources and strengthen our communities” has made immeasurable differences in our leadership pursuit.

Thank you for your ongoing support and confidence in your Community Foundation!

Sincerely,

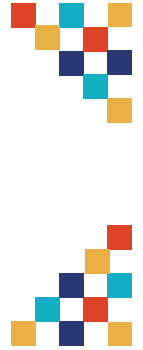

H. MICHAEL LAWSON

“There is no power for change greater than a community discovering what it cares about.” – Margaret J. Wheatley

THE DICTIONARY PROJECT

The Dictionary Project began in 1992, when Annie Plummer gave 50 dictionaries to students in a Georgia school. In her lifetime, she raised the money to purchase 17,000 dictionaries. To date, The Dictionary Project has delivered more than 31.4 million dictionaries to 3rd graders throughout the United States.

Since 2004, the Wabash Valley Community Foundation, partnering with local Rotary Clubs, has delivered more than 32,000 dictionaries to both public and private third grade students in Clay, Sullivan and Vigo counties. To ensure this project continues to promote literacy within the communities, the Community Foundation holds the Wabash Valley Dictionary Project Endowment Fund to provide funding for more than 2,000 dictionaries each year.

It is a common misconception that today's generation of children are too modern and/or too steeped in the digital age to be interested in anything as old-fashioned as a paper dictionary. As any local Rotary Club member will attest, passing out dictionaries in a classroom full of third graders tends to generate excitement. A dictionary is a powerful

reference tool, but it is also a necessity for children residing in rural areas of the Wabash Valley. Oftentimes, internet service is not available in these areas, which makes it quite difficult for children to look up words for homework assignments. Through the Dictionary Project, each student is provided with a dictionary of his or her own. As a result, education is more likely to be pursued due to improved writing and reading comprehension skills.

The Wabash Valley Dictionary Project Endowment Fund, along with several other endowed Dictionary Funds held within the Community Foundation, is designed to purchase the individual dictionaries and name plates for each book. The Brazil Rotary Club, Sullivan Rotary Club and Terre Haute Rotary Club partner with the Community Foundation in the delivery and presentation of the dictionaries to the students.

For more information on The Dictionary Project, or to create an endowed Dictionary Fund, please contact the Community Foundation at 812.232.2234.

Terre Haute Rotary Club members apply name plates to dictionaries.

Pictured above are Jerome (Jerry) and Wilma Jean Tennis. This fund was created in honor of Bill's father, Jerry.

GOODWILL INDUSTRIES TENNIS FAMILY DICTIONARY FUND

As a Rotary Club member, William (Bill) Tennis, executive director of Wabash Valley Goodwill Industries, Inc., was first exposed to the concept of endowing dictionaries for every third grade classroom when he assisted in the distribution of the dictionaries to local schools.

The Dictionary Project promotes literacy within the Clay, Sullivan and Vigo communities by providing funding for more than 2,000 dictionaries each year. Several years ago, the Community Foundation reached out to local businesses and organizations seeking partnerships to help cover a portion of the cost to endow local elementary schools.

“I caught wind of The Dictionary Project and the effort on behalf of the Community Foundation to provide dictionaries to all third graders in Vigo County,” explained Tennis. “Coming from a family of educators, I thought it was a neat idea and approached the Goodwill Board of Directors about creating a fund in honor of Dad and Goodwill Industries.”

His father, Jerome Tennis, served as the first principal of West Vigo Elementary School – then a newly consolidated school. In creating the Goodwill Industries Tennis Family Dictionary Fund, Tennis honored his father by selecting West Vigo Elementary School as the first school the Fund endowed.

Tennis explained Goodwill has since endowed several more Vigo County schools, with a goal of endowing eight to ten more schools per year until each school is endowed. Since the Fund’s creation in 2014, Goodwill has also endowed schools in Brazil, IN – the location of the first satellite retail store for the Terre Haute Goodwill.

“Goodwill believes education is the key to success,” said Tennis. “We believe it’s still instrumental, even in this digital age, that young kids are exposed to physical dictionaries and learn how to use them. These dictionaries help kids realize and learn what a book is, how dictionaries encompass their lives and how they will use books forever.”

COMMUNITY LEADERSHIP

Quality of Place, a sponsored program of the Community Foundation.

Vigo County School Corporation Superintendent Dr. Robert Haworth served as a guest speaker during a Quality of Place meeting.

The Community Foundation provides a vehicle for community leaders to convene people to explore and understand important issues. Leaders facilitate discussions to find common ground, create goals and develop action plans to address community opportunities. The Community Foundation also provides leadership in assisting other nonprofits in the area. With our expertise, network and financial resources, we are able to sponsor programs to encourage growth and development among other organizations. We serve all of our community members and focus on the Wabash Valley area as a whole to provide assistance and leadership to individuals and organizations by hosting community gatherings, groups, discussions and activities.

Many define placemaking as the process of creating quality places for people to live, work and play. Oftentimes, placemaking involves improving a community over an extended period of time through several small projects, programs and activities. However, placemaking can also be called upon to create and implement larger-scale transformative projects – converting a community into one that exudes a strong sense of place in a short period of time.

Placemaking depends on engagement of community-minded individuals to develop and implement ideas to make our

community a better place. Since 2018, the Wabash Valley Community Foundation has hosted monthly Quality of Place meetings to engage and empower individuals to participate in the process. Individuals representing area nonprofit organizations, cultural entities, elementary, secondary and higher education, elected officials and tourism meet at the Community Foundation once per month to share ideas, opportunities and challenges to further strengthen our community.

Participants meet with the understanding that placemaking is the fabric of community, and the Terre Haute fabric is one that is vibrant, strong and continually being woven. The goal of Quality of Place is to encourage communication and collaboration to allow participants to identify ways to promote the Terre Haute, Vigo County and Wabash Valley communities. In this aspect, discussions have ranged from beautification, tourism attraction, redevelopment, workforce and educational development. Occasionally, speakers will present on a topic and allow for an open dialogue for participants to share how an issue can be addressed, or possible ways in which their organization can be of assistance.

Quality of Place meetings are held on the first Wednesday of each month, from 10:00 AM to noon at the Wabash Valley Community Foundation office. To learn more or become involved, please contact the Community Foundation at 812.232.2234.

Youth Grant Committee, a sponsored program of the Community Foundation.

The Wabash Valley Community Foundation's Youth Grant Committee was created in 1996 to empower youth to address issues important to them through grantmaking. The Committee, which consists of 18 Vigo County high school students, reviews grant applications for service projects. These grants are funded by a relatively small Youth Grant Committee Endowment Fund.

Through this program, these young individuals become active agents of philanthropy, preparing them for responsive community leadership and practical, hands-on service. During the 2017-18 academic year, members of the Youth Grant Committee strengthened their leadership skills as they participated in philanthropy. They attended site visits of local nonprofit organizations, listened to nonprofit presentations during their bi-monthly meetings, conducted community service projects and awarded grants to nonprofits that

address needs in their community. During their term, students learned to read and analyze a grant application, to respectfully debate the most critical needs while learning to listen to others' perspectives and to prioritize the many worthwhile requests.

In allowing local youth to evaluate grant proposals, they can select projects and programs they believe will make their community better. Through the Youth Grant Committee, local youth are encouraged to prioritize their own views of community goals through projects proposed by their peers. Community involvement during youth begets community involvement as an adult – thereby advancing the culture of philanthropy.

Students interested in serving on the Youth Grant Committee must apply in mid-march for the following academic year. Applicants are interviewed and selected by members of the current Youth Grant Committee. Both grant and membership applications are available at wvcf.com/YouthGrantCommittee.

We encourage anyone interested in learning more as to how they can volunteer, strengthen and grow our Youth Grant Committee, or how to create a Youth Grant Committee in Clay or Sullivan counties, to contact the Community Foundation at 812.232.2234.

GRANTS AWARDED BY THE YOUTH GRANT COMMITTEE IN 2018:

\$500

JUNIOR DEPARTMENT CLUB

To purchase coats for children in need.

\$330

RETHINK, INC.

To purchase fruit trees.

\$266

WEST VIGO HIGH SCHOOL NATIONAL HONOR SOCIETY

In support of Blooming Wellness service project.

TOTAL GRANTS SINCE INCEPTION

\$92,598

Giving Circles 100 Women Who Care and Guys Who Give

Our Giving Circles, 100 Women Who Care and Guys Who Give, provide a unique model for individuals to leverage gifts and increase community impact with their charitable dollars.

Giving Circles are comprised of individuals who pool their charitable gifts together to make grants to local nonprofit agencies and organizations, realizing that one substantial contribution per quarter can make an immediate impact in the community.

**IN 2018, OUR FIVE GIVING CIRCLES COMPRISED OF
401 MEMBERS COLLECTIVELY AWARDED**

\$147,250

TO NONPROFITS IN CLAY, SULLIVAN AND VIGO COUNTIES

These funds helped support projects and programs such as:

- ◆ library renovation at Carlisle Elementary and Middle School
- ◆ electronic keyboard for the Community Theatre of Clay County
- ◆ several heavy duty barricades for the Miracle on 7th Street event
- ◆ new foot prop and instrument trailer for the Northview Band Boosters
- ◆ two pickleball courts at Sullivan City Park
- ◆ and more!

In many ways, joining a Giving Circle can assist individuals in becoming more strategic and social in their philanthropy. Charitable collaboration can be complex, as each individual is passionate about the causes he or she personally cares about. Yet, members of our Giving Circles have found they learn valuable philanthropic skills as they collectively evaluate and make informed decisions as to where their gifts will make the most impact. For those who are new to the Wabash Valley, joining a Giving Circle is an excellent way to learn about the community's opportunities while simultaneously finding a network of like-minded individuals. Furthermore, being part of a Giving Circle's interaction with a specific agency or organization can help create a deeper level of involvement for individuals and the nonprofits they support.

MEMBERS OF THE COMMUNITY FOUNDATION'S GIVING CIRCLES:

- ◆ Collaborate and network with a diverse group of generous individuals who value improving the quality of life in areas which they reside
- ◆ Learn about community issues and effective philanthropy
- ◆ Share the joy of giving—together

When it is time to make grants, Giving Circle members listen to presentations and decide together the programs or projects they wish to support – resulting in an immediate impact!

To join one of our five Giving Circles, please contact the Community Foundation at 812.232.2234 or go to wvcf.com/giving-circles.

SWOPE ART MUSEUM COLLEGE COMMUNITY CONNECTION

As the only art museum in the region, the Sheldon Swope Art Museum serves an important need in providing visitors of all ages and backgrounds with the opportunity to learn more about the rich history of American art, including that of Indiana and the Wabash Valley.

In an effort to advance its mission to "...engage, stimulate, and educate those whose lives it touches," the Swope developed a College Advisory Council comprised of students from Indiana State University, Saint Mary-of-the-Woods College, Rose-Hulman Institute of Technology and Ivy Tech Community College. These students were tasked with helping the Museum staff create programs to attract the virtually untapped museum audience of the nearly 18,500 college students who attend institutions of higher learning in Terre Haute. The result was the implementation of a College Night each semester, finals week programs and exhibitions of specific interest to college students.

To assist the Swope in building a strong, creative college community connection, the Community Foundation awarded a \$9,790 grant

from the 100 Women Who Care Endowment Fund, Lavelda M. Goble Endowment Fund, Donald O. Springman Endowment Fund and Salo and Mary Levite Endowment Fund. This grant allowed the Swope to host fun and engaging events, as well as to invite students to think of the Swope as a place where they are always welcome. Through this grant, the Swope was able to nearly double the number of the students reached by the Museum in the previous year.

College students learned how to screenprint a t-shirt during a college night.

SULLIVAN COUNTY PARK AND LAKE

The Sullivan County Park and Lake was developed in 1968 when Lake Sullivan was created as a means for flood control and conservation. A mecca for outdoor recreation, the Park and Lake serves the surrounding communities with its campground and cabins, nine-hole golf course and 468-acre lake that is popular for fishing and boating. Despite these attractions, one amenity the Park and Lake lacked was a safe, modern and ADA compliant central playground to enhance children's lives and development.

The previous playground, which consisted of random pieces of

equipment in dire need of replacement, was unsafe and did not have any protective surface underneath. Children would play on the playground while their parents would closely follow to ensure the safety of their children. As funding for a large, central ADA compliant playground was not within the park's operating budget, Park and Lake board members relied on grant funding and community support to make their playground initiative a reality.

With support from the Sullivan County Community Foundation, the Park and Lake purchased and installed brand new modern equipment by means of a supervised community build. The playground, named "Happy Campers Playground" by a community member, features two swings, two toddler swing seats, one adaptive swing seat and one parent/toddler interactive swing. In addition, there is a modern merry-go-round, two spinning seats, large disc swing, large play structure and large vertical climbing net.

The \$12,000 grant to assist the Park and Lake with playground improvements came from the Lorene B. and Malcolm Pigg Endowment Fund, Sullivan Family Dentistry Fund, Templeton Coal Company, Inc. Fund for Sullivan and Lilly Endowment Board Designated Fund for Sullivan.

LILLY ENDOWMENT COMMUNITY SCHOLARS

First offered in 1998 by Lilly Endowment, Inc., the purpose of the Lilly Endowment Scholarship Program is to help raise the level of educational attainment in Indiana and to leverage further the ability of Indiana's community foundations to enhance the quality of life of the state's residents.

Lilly Endowment Community Scholars are chosen by local volunteers from their county. They receive full tuition and an annual book stipend for four years at a four-year Indiana college or university.

LEWIS & EVA BERRY

Lewis and Eva Berry lived most of their married life in Poland, Indiana. There they raised their two children, Victor and Ella Mae, whose nickname was Suzi. Victor moved to Greencastle while Suzi became Mrs. Paul Shutt, residing in the Atlanta area.

Eva and Lewis loved their “little village” of Poland. Lewis wrote the poem about Poland. Both were involved in the small, close-knit community in eastern Clay County. Eva was an exceptional cook and delighted the local children with her handmade Halloween treats such as her caramel corn, caramel apples and cookies. Lewis was a skilled wood worker, making all sorts of decorative pieces from simple display shelves to intricate chessboards and stands made of multiple types of wood. It was because of his extensive carpentry skills and his leadership that Lewis served on the local building committee tasked with restoring the dilapidated Poland Chapel, a former Presbyterian church, as part of the Indiana Sesquicentennial Celebration. This Poland Historic Chapel was dedicated in 1966, placed on the National Register of Historic Places in 1990 and continues to welcome residents and visitors to special services, a lecture series and an occasional wedding.

Both Lewis and Eva were buried at the Poland Historical Chapel cemetery. Suzi remained connected to friends from Poland and throughout Clay County. In 2002, Suzi learned of a matching opportunity from Lilly Endowment. Through the Clay County Community Foundation, an affiliate of the Wabash Valley Community Foundation, she and her husband, Paul, established the Lewis and Eva Berry Endowment Fund to memorialize her parents and to benefit Clay County.

Each year, in the name of Lewis and Eva Berry, this Fund has provided financial assistance to several nonprofit organizations in Clay County – including the Poland Historical Chapel for the upkeep and maintenance of the structure and its surrounding grounds.

When Suzi passed, her children recommended that memorial gifts in her name be made to the Lewis and Eva Berry Fund. Paul and Suzi’s children continue to contribute to the Fund in memory of their parents and grandparents.

“We have many fond memories of visiting [our] grandparents in Poland,” said Kerry Schmitt, one of the Berry grandchildren. “We would attend the annual fish fry to raise money for the volunteer fire department, get into mischief playing in the neighbor’s corn field,

crawl under homes to help our grandfather repair well pumps, play checkers with our grandfather at Kattman’s store, make things in our grandfather’s wood shop and help our grandmother pull taffy when it was cold enough outside.”

Thanks to the Lewis and Eva Berry Endowment Fund, their grandparents’ legacy in their little village will be felt forevermore.

*We like our little village with trees along the street.
Where all the fine friends and neighbors we meet.
There are young ones and older ones, all friends tried and true.
Always on the job when needed doing what’s to do.
We all like to gather at our favorite meeting places.
Taking a look at the long familiar faces.
Talk about what’s going on around, even the fox chases
and the music of the hound, crops and floods, high wind and rain.
How the stock is doing, and the price of grain.
Tall tales too, some mighty hard to believe,
but there’s always someone with a better up his sleeve.
Fish stories, dog stories, coon stories, boy, how we shoot the breeze
and sometimes we even get to talking about the birds and bees.
Yes we have a wonderful time and if you want some more,
just come on over some time and join us at Kattman’s Store.*

-LEWIS BERRY 1948

DR. MARY ANN CARROLL'S LEGACY

To be philanthropic requires a generous spirit and the desire to improve the quality of life for others. The Wabash Valley Community Foundation's Legacy Society recognizes and honors those individuals who have made plans to continue their philanthropy through their estate in an effort to continue making the community better for future generations.

Former Wabash Valley Community Foundation board president Dr. Mary Ann Carroll grew up in Terre Haute – she believed in her community and was committed to it. She supported Terre Haute with her time and talent, serving not only on the Community Foundation's board but also serving on the boards of several other organizations.

The Sheldon Swope Art Museum was a favorite of Mary Ann's. She served on its Board of Overseers and as Treasurer on its Board of Managers. Mary Ann was as capable a fund raiser as she was donor. In 2013, she challenged her fellow board members to start new endowment funds to benefit the Swope.

In her role as President of the Board of Overseers at the Swope, she challenged her fellow board members to build permanently endowed funds for the Swope. Eight new endowment funds for the Swope were created, thanks to her challenge.

Mary Ann was keenly aware of the importance of planning for the future. In 1997, she established a Charitable Remainder Trust, creating a fund named after her late father, George C. Carroll, a former superintendent of the Terre Haute schools and former principal of Wiley High School, later serving as an executive officer with Merchants National Bank of Terre Haute.

With her passing in September 2018, her Charitable Remainder Fund became a new endowment fund within the Community Foundation, the George C. Carroll Endowment Fund for the Sheldon Swope Art Museum. In the spring of 2020, the Sheldon Swope Art Museum will receive the first annual distribution from the legacy that Mary Ann created in her father's memory.

In honoring her father's legacy, Mary Ann's legacy lives on as well!

legacy

[leg·a·cy]

noun

a gift that makes permanent impact to meet the needs of the Wabash Valley community and invest in its ongoing prosperity

The Legacy Society recognizes individuals and couples who have made provisions in their estate plans to provide a gift to the Community Foundation as a legacy for the Wabash Valley.

These gifts may take the form of bequests, naming the Community Foundation in a will, trust or, as a payable on death of a certificate of deposit, life insurance or retirement account beneficiary.

WHO SHOULD JOIN THE LEGACY SOCIETY?

For individuals who wish to create a legacy beyond their lifetime, the Legacy Society ensures donors that their charitable dollars are used to support the opportunities in the community in the way they intended – for perpetuity. If you have made arrangements to make a gift to the Community Foundation and have informed us, then you are already a member of the Legacy Society.

WHAT ARE THE BENEFITS OF MEMBERSHIP?

Being a member of the Legacy Society gives you the opportunity to belong to a select group of community-minded individuals who are committed to improving the quality of life and supporting the opportunities in our communities now and for future generations. You are recognized at special events and in the Community Foundation's Annual Report. In addition, if you wish, you and/or your professional adviser can receive the guidance of our professional staff to assist you with your gift planning. This ensures your philanthropic legacy will remain a meaningful memorial to you and your family.

If you would like more information about the Legacy Society, or to inform us of a planned gift to the Community Foundation, please call 812.232.2234. No confidential details need be disclosed, and you have the option to remain anonymous as a member without public recognition.

We gratefully acknowledge those individuals who have made plans to provide a planned gift in their estate for their generosity, foresight and leadership in creating an enduring legacy for the Wabash Valley:

funds

[funds]

noun

sums of money or other resources whose principal or interest benefits the Wabash Valley community in perpetuity

- **UNRESTRICTED ENDOWMENT FUNDS**
If you wish to generate resources for your community to meet future opportunities, assist an existing program or even start a new one, the unrestricted fund will be your choice. Local volunteers in your county will use the resources for purposes that are meaningful and timely.
- **FIELD OF INTEREST FUNDS**
Perhaps you have a particular interest in a specific area or opportunity. It might be the arts, education or improved services such as health, recreation or fire protection. The Community Foundation board will award grants from your fund within the area you have set forth in your fund agreement.

Lorene B. & Malcolm Pigg Endowment Fund

- **ADVISED FUNDS**

You may wish to have more involvement in the annual distributions from your fund. By choosing an advised fund, you may serve on or specify who will serve on your fund's selection committee. Each year, you can recommend a different charitable grantee.

- **DESIGNATED FUNDS**

If you are devoted to one or more charitable organizations, you may wish to establish a designated fund, thereby ensuring that your favorite charity or charities will receive annual grants from your endowed resources.

- **AGENCY ENDOWMENT FUNDS**

An agency may establish an agency endowment fund for its benefit. The agency's supporters may contribute funds to ensure an uninterrupted and dependable source of revenue to carry out its work on a perpetual basis.

- **SCHOLARSHIP FUNDS**

A scholarship fund will assist students with tuition and fees to pursue a post-secondary education. Unlike typical scholarships, a scholarship through the Community Foundation can be customized to incorporate the patron's preferences for a particular field of study or a particular institution of higher education. Eligibility of applicants, application procedures and the amount and duration of scholarship support are designed to reflect the wishes of the patron.

- **SPECIAL PROJECT FUNDS**

Immediacy is an element in the Community Foundation's special projects funds. Perhaps a new project emerges, a need arises or a nonprofit group requests fundraising assistance from the Community Foundation. Rather than establish a permanent endowment, resources are generated to support these "special" short-term goals now.

TEACHER REWARDS ARTISTIC TALENT AND PROMOTES STUDENT OWNERSHIP

In 2011, retired history teacher, Stephen Pfrank, established the North Clay Student Art Collection Endowment Fund within the Clay County Community Foundation to encourage students to excel in the field of art.

Desiring students to have more ownership of their school, Pfrank determined the Fund would reward two students each year for their exceptional artwork. Each semester, North Clay art teachers nominate students' work to be judged via a selection committee. The committee selects one piece of artwork to be matted, framed and purchased by the school for its permanent art collection.

Jillian Freeman, a seventh grader during the 2017-2018 academic year at North Clay Middle School, was nominated during the fall semester to be considered for

the award. Freeman received \$50 toward a U.S. Savings Bond for the purchase of her artwork, which is now permanently displayed alongside the artwork of previous winners. Victoria Snow, an eighth grader, won the award in the spring semester and was the first winner to submit artwork completed outside of art class.

Jillian Freeman accepts award from Stephen Pfrank. Photo courtesy of The Brazil Times.

give

[give]
verb

to generously extend one's money,
time, or efforts on behalf of one's friends,
neighbors and the Wabash Valley community

You can support your favorite cause, charity or nonprofit organization through a gift to the Community Foundation – now or later. Giving to the Community Foundation is flexible in that you can give to an existing fund or establish your own. You can also choose to make a gift to a Community Grant Fund in Clay, Sullivan or Vigo counties, allowing the Community Foundation to make grants that impact the lives of each county's citizens. Whichever option you select, be assured that your donation will be used as directed.

The Community Foundation is able to accept a wide array of assets as contributions to a fund. As the Community Foundation is a 501(c)(3) charitable organization, donors will receive the most valuable tax benefits available under the law.

Ways you can make an outright gift today include:

Cash is the easiest way to contribute, whether it is actual cash or a check. The Community Foundation's online giving platform is a convenient way to give using a credit or debit card.

Appreciated securities, when donated, allow you to avoid paying the capital gains tax while providing an accompanying income tax deduction for the current fair-market value.

IRA Charitable Rollover, provides several benefits. If you are age 70 ½ and older, you may make a gift up to \$100,000 from your IRA directly to the Community Foundation. You can specify the way your gift will be used for the betterment of the Wabash Valley while paying no taxes on the transfer. You can also use the gift to count against the Required Minimum Distribution (RMD) from your IRA. Congress does not allow you to create a donor advised fund with an IRA Charitable Rollover.

Transferring life insurance, with the Community Foundation named as the beneficiary and owner of an existing or new policy, allows you an immediate tax deduction, which usually approximates the cash surrender value of the policy.

Private Foundations or Trusts often require significant time and money to manage. By transferring your private foundation or charitable trust to the Community Foundation, all responsibilities for reports and administrative duties will be carried out by the staff of the Community Foundation, which allows you to focus on the charitable purpose. Since the Community Foundation is a public charity and does not pay excise tax, more income is available for charitable purposes.

A deferred gift, made through your will or estate plan, will provide you the opportunity to support the Community Foundation in the future.

The Community Foundation will work cooperatively with you and your financial planner, attorney or accountant to create an endowment that will ensure that your wishes are properly followed when the gift is ultimately received. The following are considered to be deferred gifts:

- ◆ **A testamentary gift**, or bequest in your will, is one way you can create your charitable legacy.
- ◆ **A charitable remainder trust** allows you or someone you choose to receive an income for life from assets transferred to a trust. Creating a charitable remainder trust also qualifies for a current charitable deduction, the amount of which is determined by the age of the income recipient and the payout rate. When the trust ends, the trust remainder is placed in a permanent fund in your name in the Community Foundation, with the charitable distributions made in accordance with your wishes.
- ◆ **A charitable gift annuity** is a simple way to make a substantial gift while retaining the right to a fixed annual income for life. Once the income is no longer paid, the remainder supports the charitable cause you have selected.
- ◆ **A charitable lead trust** allows the Community Foundation to receive an annual payment during your lifetime or for a specified number of years. When the trust terminates, the principal is returned to you or others you have designated.

Real estate or personal property may be given to the Community Foundation. Of course, all gifts qualify for a charitable tax deduction in the year the gift was made in accordance with IRS rules.

Acknowledgment: All individuals giving to the Community Foundation are acknowledged for their gift, regardless of size. Should an individual prefer anonymity, the Wabash Valley Community Foundation protects the identity and confidentiality of the individual.

THE POWER OF GIVING
